

INDEX

Articles not marked by any signs were published as original contributions in THE LARYNGOSCOPE. All articles marked with special signs were published in the proceedings of the various societies, as follows:

New York Academy of Medicine, Section of Otology and Section of Laryngology and Rhinology.....	†
Philadelphia Laryngological Society.....	*
Nashville (Tenn.) Academy of Medicine, Section of Otolaryngology.....	‡‡
Puget Sound Academy of Ophthalmology and Otolaryngology.....	xx
Medical Society of the District of Columbia.....	††
Minnesota Academy of Ophthalmology and Otolaryngology.....	††††

A

- | | | | |
|--|---------|--|----------|
| A Case Report. Fatal Idiopathic Pharyngeal Hemorrhage, — Roberts, E. R..... | 807 | Abscess, Chronic, of Pharyngomaxillary Fossa Without Symptoms, — Weidlein, I. F..... | 583 |
| A Combined Instrument for Catheterizing the Eustachian Tube and Sinuses, — Pitman, L. K..... | 67 | Abscess, Chronic Temporosphenoidal, — Atkins, R. T..... | † 75 |
| A Consideration of Peritonsillar Abscess with a Rational Surgical Method of Relief, — Dobbs, O. R..... | 186 | Abscess, Mastoiditis with Perisinus and Extradural, — Neivert, H..... | †387 |
| A Contribution to the Etiology of Progressive Deafness. Preliminary Report, — Gottlieb, M. J..... | 85 | Abscess of Frontal Lobe, Simulating Frontal Sinusitis; Presentation Nine Years After Operation, — White, F. W..... | †769 |
| A Method for the Repair of Persistent Postauricular Openings, — Almour, R..... | 799 | Abscess, Peritonsillar, A Consideration of, with a Rational Surgical Method of Relief, — Dobbs, O. R..... | 186 |
| A Nasal Septum Trephine, — Boiler, W. F..... | 438 | Abscesses, Peritonsillar, A New Instrument for Evacuating, — Pelz, M. D..... | 190 |
| A New Instrument for Evacuating Peritonsillar Abscesses, — Pelz, M. D..... | 190 | Abstract of the Case of C. C., — Leahy..... | †459 |
| A New Operation for Chronic Purulent Mastoiditis, — Smith, J. M..... | 553 | Abstract of Case of S. P., — Leahy..... | †460 |
| A Plea for the More Frequent Use of Local Anesthesia in Mastoidectomy, — Hubby, L. M..... | 874 | Accessory Sinus Disease in Children, — Dean, L. W..... | *697 |
| A Satisfactory Water Suction, — Viole, P..... | 837 | Acoustic Apparatus in Human Embryo, Early Stages in the Development of the, — Streeter, G. L..... | *154 |
| A Study of Mastoiditis—A Resume of 644 Cases, — Coates, G. M.; Erssner, M. S., and Persky, A. H..... | 245-392 | Acromegaly, Nontraumatic Cerebrospinal Rhinorrhea Accompanying, — Roberts, B. F..... | *855 |
| A Technique of Antrostomy, — Moose, R. M..... | 919 | Acute Labyrinthitis; Operation; Recovery, — Blackwell, H. B..... | † 79 |
| An Endocrine Study of a Thousand Case Histories, — Drury, D. W..... | *157 | Acute Otitis in Children, — Van Poole, G. M..... | 655 |
| An Eight-Minute Round Table Talk On Bronchoscopy and Esophagoscopy, — Imperatori, C. J..... | †144 | Adamantanomatous Cyst of the Mandible. Operation, — Smith, T. M..... | †766 |
| An Improved Armamentarium for Tonsillectomy, — Neivert, H..... | 915 | Adenoid and Tonsil Surgery, Observations and Results in, — Jones, D. H..... | 663 |
| An Improved Method of Shrinking the Eustachian Orifice, — Pressman, J. J..... | 208 | Agranulocytic Angina, — Horn, H..... | *858-910 |
| An Introduction to the Rediscovery of Wittmaack, — Gale, C. K..... | 507 | Agranulocytosis, Observations On, — Rosenthal, N..... | 592 |
| An Unusual Case of Massive Atelectasis of the Right Lung, — Baum, H. L..... | 124 | Air Pump, Operative Hook-up for, — Waring, J. B. H..... | 63 |
| An Unusual Case of Mastoiditis, — Miller, John..... | † 82 | Allergy in Rhinology, — Cooke, R. A..... | 210-†691 |
| | | Allergy to Argyrol in a Patient with Chronic Otitis Media, — Howard, R. C..... | 215 |
| | | Analogy Between Cholesteatoma and Skin Cancer, — Fisher, Joseph..... | 440 |

- Analysis of Cases of Laryngeal Carcinoma Seen Since October, 1929, —MacKenty, J. E.740-†848
- Analysis of 100 Consecutive Nasal Sinus Cases Treated Conservatively, —Lewis, E. R.†822
- Anesthesia in Mastoidectomy, A Plea for the More Frequent Use of Local, —Hubby, L. M.874
- Anesthesia, Local Versus General—Tonsillectomy in Adults, —Smith, H.†150
- Anesthesia Problem In Otolaryngology, The, —Levy, Robert.867
- Aneurism of the Auricle, Varicose, —Graef, F. W.904
- Angina, Agranulocytic, —Horn, H.*858-910
- Antrostomy, A Technique of, —Moose, R. M.919
- Armamentarium for Tonsillectomy, —An Improved, —Neivert, H.915
- Antrum Tumor, —Jackson, W. J.†316
- Argyrol, Allergy to, in a Patient with Chronic Purulent Otitis Media, —Howard, R. C.215
- Asthma of Both Infectious and Sensitization Type, —Belcher, A. M.†315
- Atelectasis, Massive, of the Right Lung, An Unusual Case of, —Baum, H. L.124
- Atresia, Case of Congenital Choanal, —Ezell, H.†4704
- Auditory Nerve Deafness, —Schattner, A.802-†852
- Auricle, Varicose, Aneurism of the, —Graef, F. W.†850
- B**
- Bacillus Mucosus Capsulatus Infection, Report of a Case of. Notes On Recurrent Mastoiditis, —Muckleston, H. S.562
- Bacteremia and Treatment by Blood Transfusions, The Clinical Pathology of Mastoiditis with Special Reference to, —Eggston, A. A. 424-1545
- Basilar Membrane, Limited Lesions of the, —Fowler, E. P.*163
- Bilateral Cavernous Sinus Thrombosis, —Roberts, E. L.†4704
- Blood Transfusions, The Clinical Pathology of Mastoiditis with Special Reference to Bacteremia and Treatment by, —Eggston, A. A. 424-1545
- Bone Conduction, Studies in, —Becker, B. M.258
- Bone Frontal, Osteoma of the, —Leavenworth, R. O.†††706
- Brain Abscess from the Standpoint of the Brain Surgeon, —Mixer, W. J.357
- Bones of the Face, Sporothrix Infection Involving the, —Hill, F. T.742
- Brain Abscess from the Standpoint of the Ophthalmologist, —Benedict, W. L.325
- Brain Abscess from the Standpoint of the Otolaryngologist, —Eagleton, W. P.336
- Brain Abscess — Methods of Drainage, —Cahill, H. P.365
- Brain Surgeon, Brain Abscess from the Standpoint of the, —Mixer, W. J.357
- Bronchoscopy and Esophagoscopy, An Eight - Minute Round Table Talk On, —Imperatori, Chas. J.†144
- Bronchoscopy: Removal of Portion of Safety Pin in Right Main Bronchus, —Gill, E. G.130
- Bronchus, Loaded Revolver Cartridge in, —Stiles, M. P.683
- C**
- Capsule, Osteogenesis of the Human Periotic Capsule, —Bast, T. H.*154
- Carcinoma and Tuberculosis of the Larynx. Case Reports and Autopsy Findings, —Shofstall, C. K. 839-861
- Carcinoma of Larynx, Transitional-Celled, Three Years After Radium Treatment, —Robinson, G. A.†772
- Carcinoma of Neck Extending Through Thyroid Cartilage; Second Showing of Case, —Wilson, A. S.†771
- Case Histories, An Endocrine Study of a Thousand, —Drury, D. W.*157
- Case of Congenital Choanal Atresia, —Ezell, H.†704
- Case of Objective Ear Noises, —Schattner, A.†695
- Case Report: A Large Tonsillolith, Goodman, H. S.290
- Catheterizing the Eustachian Tube and Sinuses, A Combined Instrument for, —Pitman, L. K.67
- Cavernous Sinus Thrombosis, Bilateral, —Roberts, E. L.†704
- Chaulmugra Oil In the Treatment of Laryngeal Tuberculosis, —Van Poole, G. M.132
- Children, Sinusitis In, —McCullagh, S.†147
- Children, Small, Nasal Sinus Disease In, —Dean, L. W.371
- Cholesteatoma and Skin Cancer, Analogy Between, —Fisher, Jos.440
- Chronic Cough and Sinus Disease, —Cassady, J. V.615
- Chronic Frontal Sinusitis with Acute Exacerbation, —Palmer A.112-†315
- Chronic Subglottiditis, —Kramer, R.†848

- Chronic Suppurative Otitis Media Associated with Tuberculous Meningitis Presenting Localized Intracranial Symptoms,—Ersner, M. S. 569
- Chronic Temporoparietal Abscess,—Atkins, R. T. † 75
- Classification of Chronic Deafness,—Dwyer, J. G. *160
- Classification of Fellows of the Section,—Harris, T. J. †148
- Complications of Laryngectomy,—MacKenty, J. E. †146
- Complications of Tonsillectomy,—Hartz, W. 598
- Compressed Air, Traumatic Ear Conditions In Workers Under,—Vail, H. H. *236
- Color Movies of Vocal Cord Action—An Aid In Diagnosis,—Russell, G. Oscar, and Tuttle, C. H. 549
- Congenital Laryngeal Stridor,—Hill, F. T. 44
- Control of Bleeding In Tonsillectomy, Operative and Postoperative,—Freund, E. M. 675
- Correction of Facial Deformities with Special Reference to Rhinoplasty. Few Statistical Data,—Maliniak, J. W. 495
- D**
- Deafness, Auditory Nerve,—Schattner, A. 802
- Deafness, Classification of Chronic,—Dwyer, J. G. *160
- Deafness, Different Types of—A Study of the Etiology, Methods of Diagnosis, Prophylaxis and Treatment,—Davis, J. E. 20
- Deafness, Preliminary Note On the Use of Negative Pressure In the Diagnosis and Treatment of,—Fairbairn, J. F., and Pohlman, A. G. *227
- Deafness, Progressive, A Contribution to the Etiology of. Preliminary Report,—Gottlieb, M. J. 85
- Death from Rectal Anesthesia In Laryngectomy,—Hill, F. T. 449
- Demonstration of Foreign Bodies Removed by Bronchoscopy,—Imperatori, C. J. †152
- Demonstration of Intranasal Surgery On Wet Specimen,—Yankauer, S. 642
- Demonstration of Wax Plate Model of the "Utriculoendolymphatic Valve" (Bast). In a Two-Year-Old Child,—Wilson, J. G. *156
- Dermoid Tumor of the Posterior Pharyngeal Wall In a Child Ten Months Old,—Freedman, A. O. 589
- Destruction of the Lateral Sinus,—Effler, L. R. 39
- Diagnosis In Unusual Case of Sinus Disease,—Faulkner, E. R. †147
- Diathermy In Treatment of Ear, Nose and Throat, Some Uses of,—Hurd, L. M. †152
- Dick's Scarlatinal Serum Treatment of Lateral Sinus Thrombosis,—Ersner, M. S. 758
- Different Types of Deafness—A Study of the Etiology, Methods of Diagnosis, Prophylaxis and Treatment,—Davis, J. E. 20
- Diphtheria and Tonsillectomy—Disease of Antiquity—Diphtheria,—White, F. W. 58-†148
- Diphtheria—Disease of Antiquity—Diphtheria and Tonsillectomy,—White, F. W. 58-†148
- E**
- Ear Noises, Case of Objective,—Schattner, A. †695
- Early Stages In the Development of the Acoustic Apparatus In the Human Embryo,—Streeter, G. L. *154
- Elongated Styloid Processes, Their Formation and Clinical Significance,—Kulvin, M. M. 907
- Embryo, Human; Early Stages In the Development of the Acoustic Apparatus of the,—Streeter, G. L. *154
- Empyema of the Maxillary Antrum, Nonsurgical Consideration of. Symposium On Maxillary Sinus,—Smith, Harmon. 5
- Endocrine Study of a Thousand Case Histories, An,—Drury, D. W. *157
- Eosinophile, The Role of the, In Certain Otological Conditions,—Judd, C. W. 203
- Esophagus, Peptic Ulcer of,—Maizner, F. S. 685
- Ethmoids, External Operation On,—Faulkner, E. R. 646
- Ethmoid Fistula, One Method of Closing, an,—Cunningham, H. M. 830
- Ethmoidal Labyrinth, The Clinical Anatomy of,—Schaeffer, J. P. 627
- Ethmoiditis, Nonsurgical Treatment of,—Dowling, J. I. 633
- Ethmoiditis, The Modern Classification of,—Pratt, F. J. †††706
- Ethmoids, Zinc Ionization of the,—McCoy, J. 640
- Etiology, A Study of the, and Methods of Diagnosis, Prophylaxis and Treatment In Different Types of Deafness,—Davis, J. E. 20
- Etiologic Factors In Sinus Inflammations,—Lewis, E. R. 103
- Eustachian Orifice, An Improved Method of Shrinking the,—Pressman, J. J. 208

- Eversion Method, Tonsillectomy by the,—Stout, P. S. 663
- Eustachian Tube and Sinuses, A Combined Instrument for Catheterizing the,—Pitman, L. K. 67
- External Operation On Ethmoids, —Faulkner, E. R. 646
- Eye, Ear, Nose and Throat, Radiotherapy In Diseases of the,—May, E. A. 525
